

Important Step – Towards the end you are issued with an account number – I will need both the account number and the password you use to access the account.

Long instructions but it is mostly click continue!

1. Go to <http://www.jumpovert.com/hosting>

2. click on hosting on the left menu.

The image shows a screenshot of a website's product menu on the left and a promotional banner for web hosting on the right. The menu is titled 'OUR PRODUCTS' and lists various services: Domains, Mail (Instant Mail, Exchange), Web Hosting (Hosting, MS Hosting), Virtual Servers (Virtual Server, Virtual Server MS), Servers (Value Server, Root Server, Windows Server, Managed Server), eShops (eShops Overview), SharePoint, and 481 Goes Greener. The 'Hosting' option under 'Web Hosting' is circled in red. The promotional banner is titled 'Hosting' and 'Feature Packed Web hosting'. It features a 'Special Offer!' box with '£0.00 from first 3 months *'. Below this, it states 'Your No.1 Choice for Webhosting' and lists benefits: 'inc. up to 10 FREE .uk domains', 'FREE WebsiteBuilder: 4 easy steps', and 'Receive £400 worth of Software for from £0.00 first 3 months'. A 'Web Hosting' button is present. At the bottom of the banner, there is a 'Server' section with an image of a server rack and the text 'VPS Bus / Bus Server II' and 'AM Opter'.

3. click on the sign up for 1&1 business account

Add On A Domain

To continue without adding on a domain or if you are finished adding on domains, please click on **continue** or use the domain check below to find a domain.

Important information:

- To add on a domain to a 1&1 package that you already have, please order it through the Control Panel.
- When registering .co.uk domains to a shared hosting package, make sure they're correct – these count as part of the included domain allowance for your package and cannot be exchanged!
